“Healing and Transformation in Christ”

***With the participation of Archbishop Gabriel of Comana,
Exarch of the Ecumenical Patriarch in Western Europe***

“But they that wait upon the Lord shall renew their strength; they shall mount up as eagles; they shall run and not be weary; and they shall walk and not faint.” *Isaiah 40:31*

“The wilderness and the solitary place shall be glad for them, and the desert shall rejoice and blossom as the rose.” *Isaiah 35:1*

“All things work together for good to those who love God.” *Romans 8:28*

How, when confronted by loss and suffering, can we move forward with hope, seeing crisis as opportunity to open ourselves to transformation and renewal, through the healing power of Christ?
