**Confessions** may be heard before the Liturgy, or by appointment. On Liturgy days the last confession should begin before 10.30 am to allow the priest to complete the service of preparation and begin the Liturgy on time - please phone if you can to help him plan.

\* **On days marked \*** (generally great feasts, commemorations or meetings) there is a communal meal after the Liturgy. Anyone contributes who wishes (fasting food during fasts), and all are welcome who wish to stay. After other services tea, coffee and biscuits are served, and anyone is welcome to bring food to share, or to eat themselves before their journey.
